How does your Video Card compare?

Add your card to our benchmark charts with PerformanceTest V9!

Price Performance

This chart compares the price performance of Videocards is made using thousands of PerformanceTest benchmark results and pricing pulled from various retailers. Benchmark results and pricing is reviewed daily. The chart below compares Videocard value (performance / price) using the lowest price from our affiliates. Higher results in the chart represent better value in terms of more performance per dollar. Two charts below (currently on-sale and all-time value) displays the top Videocards in terms of value.
